

# Share your thoughts on neurodevelopmental supports and services in Ayrshire

Do you, or a child or young person you care for, have a neurodevelopmental difference such as Autism Spectrum Disorder (ASD), Attention Deficit Hyperactivity Disorder (ADHD) or Developmental Language Disorder (DLD)?

We'd love to learn more about your experience of neurodevelopmental supports and services across Ayrshire. Your answers will help us to shape future plans and developments.

The survey should take between 5 and 10 minutes to complete, and you can take part by visiting <https://tinyurl.com/neuroexperiences> or scanning the QR code below.
