Make a difference to a young person's life!

Volunteer Befrienders

A Befriender is an adult volunteer who will provide a one-to-one supportive friendship for a socially isolated young person aged 8 - 18 who lives in South Ayrshire. This will involve meeting fortnightly for a few hours, sharing time together to make a real difference to the young person's life.

Group Volunteers

A group volunteer is an adult volunteer who will help us to deliver our group outings and support our young people to take part in the activity. These outings take place at various times and locations throughout the year.

What Can I Expect?

- Support from a Project Coordinator
- Comprehensive induction training
- Make a difference to a young person
- Expenses covered
- Access to further training opportunities
- Learn new skills
- Meet new people at social nights
- Expand career opportunities
