

# Locality Planning Partnership – Participatory Budgeting Guidance Notes

## Expressions of Interest are invited from the following:

- Individuals, community or voluntary groups who provide a service or deliver activities within the South Ayrshire localities
  - This process is **not** open to staff from SAC Education Services for the purposes of school activities, but Parent Association/pupil council may apply if the project does **not cover core curricular activities**
  - This money is normally not appropriate for statutory services
  - Groups and individuals may submit applications for **one** project
1. Individuals, groups, and organisations must be based or provide a service within South Ayrshire localities and projects must directly benefit the residents in these localities.
  2. Each Individual, group/organisation can submit **one** application per locality.
  3. The maximum amount to bid for will be **£3000** and the minimum amount is **£500**.
  4. The short description of the project that you provide will be used in an information leaflet to be available at the event.

5. Your project must start after date of award if successful and be **completed within one year** of funding being received.
6. Your project must fit within the identified priorities for your locality – please see overleaf.
7. EOI will be reviewed by the PB subgroup to ensure they fit within the priorities of each locality.
8. If successful, you will be invited to submit a full application form.
9. Successful groups will be invited to provide a display which must fit on 6ft table top at the Community event. All the displays will then be voted on by members of the local community attending the event.
