

# Alcohol Related Brain Damage (ARBD) study

Do you have a diagnosis of **ARBD** and live within South Ayrshire?

Are you interested in **talking about your experience** of accessing support? Are you a loved one of someone with a diagnosis of ARBD?

If so, we would like to invite you to take part in an **interview** run by Horizons Research, in partnership with the ADP.

We are hosting two workshops offered on an online and in person. These dates are:

## **Face to face**

1pm-4pm, 29th May 2024  
At 48 Newmarket St, Ayr KA7 1LR

## **Online**

1pm-2.30pm, 30th May 2024

## **How can I get involved?**

We'd like to get feedback from you in a way that works for you. This could be a chat on the phone, a meeting face to face, or some questions that we can send you in advance. You can also send us an email with some written answers if that would be better for you.

If you'd like to share feedback with us, then please be assured that your data will be kept securely, according to GDPR

(2019), and any identifying information will be anonymised. You have the right to confidentiality and to withdraw your feedback at any point.

## **Why should I take part?**

If you'd like to take part, your contribution will be used to improve services within South Ayrshire.

## **How do I get involved?**

If you are interested in getting involved, please send an email to [adp@south-ayrshire.gov.uk](mailto:adp@south-ayrshire.gov.uk)

## **What if I can't take part, but someone I know can?**

If you know someone who may be interested in discussing their experiences with us, please contact [hannahl@horizonsresearch.org](mailto:hannahl@horizonsresearch.org)
